INC International Concepts Andy Sandal

A step above basic gray, edgy gunmetal snakeskin supplies these heels with attitude and glamour. Despite their wild streak, the shoes still bring a polished finish to any outfit. Try them with skinny jeans and a bomber jacket or wear them with tights and a dress for a flirtatiously feminine alternative.

Environmental conditions play a major role in condition of skin and hair, and everyday products often aren't suited to our unique needs. Enter Solavie, an innovative system of unisex products that addresses the body's response to the elements. All products target various skin types, boast natural scents and are enriched with antioxidants and mineral-rich spring water. Choose from hair, body and face washes and moisturizers.

Westchester Braided Clutch

Buttery soft leather and richly braided detail bring a unique touch to this everyday clutch. In basic brown or a warm mustard that transitions perfectly into fall, this roomy bag is a chic alternative to shoulder bags and is great whether you're going casual or dressy.
